

BOARDING POLICIES
ALL CARE VETERINARY HOSPITAL

1. All pets must be current on vaccinations, including Kennel Cough or Bordetella, Distemper/Parvo/Coronavirus and Rabies for dogs and Feline Distemper and Rabies for cats. **IF PROOF OF VACCINATIONS WITHIN THE PREVIOUS 12 MONTHS IS NOT PROVIDED, THEY WILL BE GIVEN AT THE TIME THE PET IS DROPPED OFF AND OUR REGULAR CHARGES WILL APPLY.** There may be an additional charge for a female dog in heat or for puppies.
2. Parasites such as fleas or ticks will be treated at owner's expense at the time of drop off.
3. Dogs staying three or more nights will receive a complimentary bath the morning of their release. If you wish to pick up your pet early in the day please let us know so we can bathe him or her the night before. If your dog's stay is less than three nights we will be happy to bathe him or her for 1/2 price if you specify at drop off. Cats are not routinely bathed but may be for 1/2 price if specified at drop off time.
4. Minor illness or injury is treated in an appropriate manner. We must have an emergency number to contact you or someone you specify in case of a serious problem. In lieu of contacting an individual, you may authorize treatment as needed by signing in place of a phone number.
5. We routinely feed Purina Prescription Diet EN foods. If your pet has special requirements, please let us know. We can continue to give daily heartworm preventative if your dog currently takes it. **There will be an extra charge if your pet requires medication twice daily or more.** Please indicate as necessary below.
